

2017 CENTRAL DISTRICT SPRING FIRE SCHOOL
PIERRE FIRE STATION 1, 215 W Dakota Ave.
April 30, 2017 Pierre SD

Class 1: Live Fire Attack and Technique Training - 6 hours

Training will consist of a short AM classroom session covering basic principles of Safety, SCBA and Fire Streams. The remainder of the AM and all afternoon will be spent doing hands on training with Live Fire. Participants will put their knowledge and skills to use in the two-story Mobile Live Fire Training Unit. This hands-on training will simulate conditions encountered in actual interior structure fires (live fire, heat, humidity and smoke). During the evolutions the student will be able to practice SCBA usage, emergency SCBA procedures, hose handling, nozzle techniques, fire attack, ventilation and more. Students will have the opportunity to practice multiple fire attack scenarios including ground level entry and basement fires as well as rescue procedures. (Must be 18 years of age and have current SCBA training. Structural PPE and SCBA required).

Instructor: Platte VFD Cadre - **Class limit 24.**

Class 2: Traffic Incident Management Safety -4 hours afternoon, no limit

This class will provide information from, the National Traffic Safety Council and National Department of Transportation on recommended practices for emergency vehicle placement and rescue personnel safety while operating near moving motor vehicle traffic incidents.

Instructors: Paula Tronvold, Pierre Fire Department and John Peary, Highway Patrol

Class 3: Courage to be Safe (CTBS): 4 hour class, morning, no limit

This course is a provocative and moving presentation by the National Fallen Firefighters Foundation, through the Everyone Goes Home® Program, that is designed to change the culture of accepting the loss of firefighters as a normal occurrence. Building on the untold story of line of duty death survivors, it reveals how family members must live with the consequences of a firefighter death. This presentation provides a focus on the need for firefighters and officers to change fundamental attitudes and behaviors in order to prevent line of duty deaths. The central theme promotes the courage to do the right thing in order to protect yourself and other firefighters and ensure that "Everyone Goes Home" at the end of the day. Firefighters must have the courage to face a multitude of risks in order to save lives and protect their communities. Their courage allows them to willingly risk their own lives so that others can be saved. A different type of courage is required to stay safe in potentially dangerous situations, avoiding needless risks and tragic consequences.

Instructor: Mike Erickson, State Fire Marshal's Office

Class 4: Introduction to Search and Rescue

This course is designed as an introduction to Search and Rescue. You will learn about searcher safety, equipment, and tools to aid in SAR. You will also be introduced to different methods of searching in different areas to achieve the best outcome. You will also learn what other resources are available to assist in your searches. The morning session will be classroom and the afternoon session will be hands-on. Please bring appropriate outdoor/hiking gear and any personal equipment you currently use (GPS, compass, backpacks, etc.).

Instructor: Grady Kraft, Timber Lake Volunteer Fire Department.
